

Dear Green Valley Families,

I hope everyone had a great holiday season and start to a new year. I'm sure everyone is looking forward to warmer weather and getting ready for a great year with your GVP friends.

We had a very successful 2009 season and your GVP Board and management team is working very hard behind the scenes to continue our tradition as the #1 swim and tennis facility in Greensboro.

You should have received your 2010 invoice by now and hope you find the payment options we have provided to be easy to understand and easy to budget. If you have any questions regarding membership, please feel free to contact Steve Moore (Membership Chair, Board Member) at ocracoker@triad.rr.com or 336-288-5857. If you have any questions regarding your dues statement, please contact Shannon Roley (Financial Administrator) at accounts@greenvalleyswimandtennis.com or 336-292-3401.

We have put together an aggressive membership campaign this year:

The Go Away Recession Special

Green Valley wants to dramatically increase new memberships this year. For the first time in club history, we are offering a waiver of the invitation fee for any type of membership, now through April 1, 2010. We want families and individuals who are shopping around for pools, swim teams and tennis programs to join Green Valley Park. Please tell your friends about this exciting opportunity. More information is on the Green Valley website under the New Members tab.

We have a wonderful staff returning this year lead by our Park Manager Frannie Varker and Tennis Director Derek Gamble. Scot Budde will also be returning as Head Swim Coach along with Katherine Anderson. In addition to our many tennis leagues that start this spring we have planned pool-side social events such as adult socials, teen nights, poolside Friday at 5 and float nights. We will offer swim lessons for all levels and have GVP swim team merchandise for sale.

Please check our website www.greenvalleyswimandtennis.com for a comprehensive list of all upcoming events and activities planned for the 2010 season. As always, e-mail or call us with ideas for socials, facility improvements, family events, etc. Everyone is always encouraged to get involved by volunteering at events, taking lessons or joining a social committee.

Remember, it's the members that make Green Valley Park the best place to be during the summer. **HELP CONTINUE THE TRADITION!**

See you this year,

Chad Hall, President
Green Valley Park
